October 2017

Dear Sir/Madam

Sixth Form Production

Every year, students of Backwell School Sixth Form host a stage production which is completely produced, performed and directed by students in order to raise money for charity. This year our chosen production is the Broadway musical *Footloose*, which we are producing to aid the Great Western Air Ambulance.

The charity provide life-saving emergency care to people in remote locations and in critical states around our community. *Footloose* is a foot-tapping show following the story of a boy from the City of Chicago as he struggles to adapt to life in the small country village of Bomont and his fight to bring dancing back to the young people of the area.

A feel-good production, *Footloose* is packed with musical numbers and impressive dance routines to be performed on 6, 7 and 8 December at 7pm in the school theatre.

We are writing to ask whether you would like to be a part of our production by either sponsoring the show, or advertising in our full-colour programme. Productions at Backwell School are well known in the area for their high quality and so we are expecting large audiences each night, making this an excellent chance to publicise your company locally.

If you would be interested in supporting the production, we would love to hear from you! Either email our Producer, Tori Baughan, at 11vicbau@backwellschool.net or telephone the student services office at the school on 01275 465942.

If you would like a full-page programme advertisement, this will cost just £50. Alternatively, you could opt for a half-page advertisement, with a costing of £30.

We look forward to hearing from you.

With kind regards

Katie Parker
Director

On behalf of all involved in the Sixth Form Production of Footloose
